Title

Please insert your abstract here (Times New Roman, pt. 12, line spacing 1.5). Max. 300 words for presentations, 150 words for posters. This word count does not include the reference list.

The abstract should cover key questions, theoretical issues, methodology, and (preliminary) findings. Please ensure it does not include any information or phrases that help identify the author(s). Additionally, remember to complete the non-blinded template.

Topic domain (please only one):

☐ Physical, cognitive, sensory impairments or "SEN"

☐ Diverse individual/family backgrounds (language, socioeconomic status, migration, etc.)

☐ Other topic / open track

Keywords (please indicate up to five):
